# LONGI

## Solar Panel

### FEATURES

- Advance module technology
- M10 Gallium-doped wafer
- Excellent performance
- Class-A application classification
- <2% First-Year power degradation
- Best shading tolerance
- Heavy snow load
- 0.55% year 2-25 power degradation
- High module quality
- Module efficiency up to 21.1%
- Minimize micro-crack impacts
- 9-busbar Half-cut Cell
- Tier-1 quality
